**ENDORSEMENT AT CASE CONFERENCE:**

- 1) The matter before the court is an application for a divorce, custody, access and child support.
- 2) The parties attended a case conference before Master Fortier on October 4, 2017 at which time they signed temporary Minutes of Settlement. The case conference was set to continue today.
- 3) Mr. Ross is not present though he was aware of today's date as he was at the case conference on October 4, 2017 and he was paged into court today. In addition, he has not filed a case conference brief for today.
- 4) The respondent seeks an order for disclosure and wishes to set either a motion or attend a settlement conference as a next step in this proceeding.
- 5) In the absence of any opposition by the applicant, I am prepared to grant the order that she seeks.

- 6) The respondent seeks an order for costs thrown away for today as the applicant failed to attend.

**In the circumstances, this court orders:**

- 1) There shall be an order to go as requested which essentially continues the order of Master Fortier and provides for additional disclosure and for permission for the respondent to amend her pleadings.
- 2) I fix costs thrown way for today at \$450.00 payable within 30 days by the applicant to the respondent for his failure to attend today.

**NOTE REGARDING THE RECORD:** The official record of a conference is the endorsement prepared by the presiding judge or master. Participants are advised that it is the policy of the Superior Court of Justice that discussions taking place at conferences are otherwise privileged and confidential. Although a reporter was present and the proceeding was recorded, such recordings at conferences are for use of the presiding judicial official, similar to his or her own notes. As such it is the policy of the court that transcripts are not available. Any request for a transcript or access to an audio recording must be made by motion on notice and will be granted only in unusual circumstances.

**REMARQUE AU SUJET DU PROCÈS-VERBAL :** Conformément à la politique de la Cour supérieure de justice, les discussions ayant lieu lors des conférences constituent des discussions confidentielles et privilégiées. Bien qu'un sténographe soit présent et que l'audience soit enregistrée, l'enregistrement n'est effectué qu'à titre de référence pour le juge présidant l'audience, comme s'il s'agissait de ses propres notes. Ainsi, le dossier officiel de toute conférence s'avère l'inscription préparée par le juge ou le protonotaire ayant présidé l'audience. Par conséquent, les parties ne peuvent pas obtenir de transcription de la conférence. Si, en raison de circonstances exceptionnelles, une partie souhaite tout de même demander une transcription ou un enregistrement audio, elle doit présenter une motion avec préavis à cet effet.
