Hi Cynthia,

It's unfortunate that Ms. Boyce did not share the email and attachment included below prior to the motion. Ms. Boyce did not confirm receipt of this and several other emails. I will ask Allison to ensure that Ms. Boyce is aware of this when she returns from holiday.

If you have any questions or concerns this note please let me know so that further misunderstanding can be avoided.

Regards,

Darryl

Dear Ms. Boyce,

I have attached a note from my doctor dated Dec. 1st. I have also made plans to have him provide an updated note prior to the motion of Dec. 20.

I have appointments coming up with other medical professionals prior to the motion and will provide them as available.

I will be forwarding documents required by our current court order before the upcoming motion.

I kindly request that Ms. Holmes provide all documents regarding the orders being sought, as well as documents providing information about our daughters that I have repeatedly requested. I currently have unreasonably limited information about matters concerning their well-being, care, etc.

Kindly provide this information by Dec. 9.

As well, can you please inform me how much time you have scheduled for this motion at your earliest convenience, but no later than Dec. 9.

Thank-you,

Darryl
